Dear Oak Grove Community,

With the assistance of many parent volunteers, we are able to open the Ellig Center for Health and Wellness to Oak Grove students and families! We are very grateful for the willingness of so many individuals to help us maintain this excellent facility this fall. Oak Grove depends on our parents in so many ways and we are a stronger community when we can all work together.

The schedule of the times that the Ellig Center will be open can be found at [www.oakgrovelutheran.com/elligcenter/](http://www.oakgrovelutheran.com/elligcenter/).

Because we will be using mostly parent volunteers for supervising students, we wish to inform everyone that these individuals have limited experience and training in physical fitness and in emergency medical procedures. Therefore, there is increased risk to using the Ellig Center and we are asking each student and parent to read through the attached guidelines for using the Ellig Center. We are asking both the student and parent to sign the waiver and release form and return them to Sarah Mevold, our assistant athletic director, **before using the Ellig Center.**

To fulfill the intent of the North Dakota law to protect children in our schools, we will complete background checks on all volunteers who supervise in the Ellig Center. While this may seem unnecessary in a school like Oak Grove, the law is for the protection of all children in North Dakota and we, too, want to assure the safety of all children.

We thank you for your patience as we have worked through the policies and requirements that we have had to put into place to open the Ellig Center. Sarah Mevold will be the contact person for any questions that you may have about the operations of the Ellig Center. We thank her for the time that she is putting into this effort.

For more information or to volunteer in the Ellig Center please contact Sarah Mevold at [sarah.mevold@oakgrovelutheran.com](mailto:sarah.mevold@oakgrovelutheran.com).
