- End of semester grades will be used to calculate eligibility for the first 2 weeks of the following semester.
- An incomplete (I) on the report card will be treated as an 'F', unless approved by the Principal. Upon approval the student has two weeks to get the work completed, and the 'I' changed to a passing grade.
- Students may be deemed ineligible due to repeated student handbook policy violations, or encounters with law enforcement officials outside the regular school day.
- Home school students must take a minimum of two courses to be considered enrolled at Oak Grove, along with evidence of coursework completed at home, to be eligible for any Oak Grove activities.

Any exceptions or appeals to the above policy should be directed to the Principal.

Specific Violation Penalties:

Mere Presence Violation – Mere Presence states that a participant was merely present at a gathering or function where alcohol, tobacco, or drugs were being used, sold, or purchased, but did not participate in the activity. If a participant can prove that he/she was involved in the incident by ‘mere presence’ only, he/she will face a suspension of 2 weeks or 2 contests, whichever is most severe. Being a ‘designated driver’ at such an activity is not a defense for mere presence.

1st Possession, Use, Sale, or Purchase Violation – penalty shall be suspension for 6 consecutive weeks during the participant’s current season/activity, or his/her next participating season/activity.

2nd Possession, Use, Sale, or Purchase Violation – penalty shall be suspension for 18 consecutive weeks.

3rd Possession, Use, Sale, or Purchase Violation – penalty shall be suspension for 18 consecutive weeks.

General Guidelines for Penalties:

- The period of suspension shall begin with the date of notification to the violator.

- Suspension periods will cover consecutive weeks whenever a violation occurs during the school year.
- Suspension periods can/will be carried over from one season/activity to another, and from one year to another.
- Penalties are cumulative during one calendar year (365 days) from first violation (Ex. Sept1-Aug31)
- Summer violations will be enforced beginning with the first season/activity the student participates in the following year.
- Participants must complete the season/activity for the suspension to count, or suspension will carry-over to his/her next season/activity.
- Suspensions for Music and Drama participants will not be served for graded class performances.
- Suspended participants are not allowed to be included in any public recognition, lettering, awards, or banquets during any season/activity from which they ended the season/activity suspended. A participant who is suspended early in a season/activity and rejoins the team as a participant, and finishes the season/activity in good standing, may be eligible for post-season awards, lettering, or banquet.

Oak Grove's first concern is to help students who are using prohibited substances. We want to do all we can to encourage you to seek help for yourself or your friends without fear of punishment. Whether policy violation is self-reported or investigated and confirmed, all cases of alcohol, drug, and tobacco usage are subject to NDHSAA policies and consequences.

On school days when an activity competition is cancelled due to weather, and practice is held, all activity practices shall be treated as a Wednesday practice, and must be completed and participants out of the buildings by 6:00p.m.

COMUNICATION WITH A COACH/ADVISOR

As a parent, you have the right to understand what expectations are placed on your child when involved in Oak Grove programs. This understanding begins with clear communication between coach/advisor, participant, and parent.

Communication parents should expect from the coach/advisor:

- Philosophy
- Expectations for your child and others players
- Practice and contest times and locations
- Team requirements such as fees, conditioning, equipment
- Discipline procedures

Communication coaches/advisors should expect from parents:

- Concerns regarding participants well-being
- Schedule conflicts or appointments in advance
- Concerns regarding philosophy or expectations

It may be necessary for you and/or your child to speak to the coach/advisor regarding concerns that you have for the program or your child in particular. The lists below are appropriate items for parents to discuss with the coach/advisor, and inappropriate items that should never be discussed with the coach/advisor:

Appropriate concerns to discuss with coach/advisor:

- Mental and physical treatment of your child
- Ways you can help your child improve
- Concerns about your child's behavior

Inappropriate concerns to discuss with the coach/advisor:

- Playing time or position selection
- Team strategy or play calling
- Other participants relation to the team

When it becomes necessary for a parent/participant to talk to a coach/advisor, here is the process which can be followed by the parent/participant:

- Call or email the coach/advisor to set-up a mutually agreeable time to meet. The student must accompany the parent in the meeting.
- If a satisfactory solution is not agreed upon, then the parent may phone or email the Athletic Director to set-up a meeting with all involved.

***24-HOUR RULE – It is never appropriate to confront a coach/advisor the day of a contest, within 24 hours after a contest, or during practice.** Meeting times should be at a prearranged time and location as set-up between all parties.

CONCUSSION MANAGEMENT

Oak Grove Lutheran Schools will follow the applicable North Dakota State Statutes for concussion management for all students who participate in an Oak Grove sponsored athletic activity. (See North Dakota Century Code, 15.1-18.2)

There are numerous provisions identified in the state law. One is a requirement that schools provide to student athletes and parents information regarding concussions incurred by students participating in athletic activities. Students and their parents must document they have viewed this information and return this documentation to the school before students participate in sports. By signing the Concussion Management Information and Protocol Verification Form at the end of this handbook both the parent(s) and student athlete are acknowledging that they have reviewed the concussion information. It is highly recommended that every student athlete and parent successfully complete the 20 minute National Federation of High School’s online course. *“Concussions in Sports-What you need to Know”* The course can be accessed at: www.nfhs.org

Athletes will be removed from activity if they show any of the following signs and symptoms related to a mechanism of concussion:

Headache	Mood Changes	Poor Balance
Nausea	Feeling Tired	Blurred Vision
Dizziness	Sensitive to Sound	Mood Changes
Confusion	Loss of Memory	
Irritable	Sensitive to Light	

Only an Appropriate Health Care Professional (AHCP) can determine if an athlete has sustained a concussion. Oak Grove Lutheran School has an AHCP on duty at most home athletic contests and practices in the form of an Athletic Trainer. In the event that an AHCP is not present, the athlete may be removed from the contest or practice by the Coach if displaying concussion symptoms.

Concussion Management:

1. If an athlete presents signs, symptoms or behavior of a concussion, the athlete will be removed from activity immediately and will not be allowed to return until they have been examined and cleared by a AHCP.

2. The athlete will be instructed to avoid physical activity, including PE class until given clearance by AHCP.
3. The athlete will remain on complete rest until asymptomatic.
4. The athlete will take the Post-Concussion ImPACT test within the first 24 hours or as soon as possible.
5. If the Post-Concussion ImPACT test scores are NOT back to baseline scores (even if they are asymptomatic) the athlete will remain on complete rest and the ImPACT test will be repeated every 7 days until they return to baseline scores.
6. If the Post-Concussion ImPACT test scores are within the normal limits compared to baseline AND they are asymptomatic, they will wait 24 hrs before starting the graduated return to play protocol.

4. Athlete may return to activity if they are not diagnosed with a concussion.

DRESS AND GROOMING

Students participating in Oak Grove activities shall dress appropriately when traveling to out-of-town activities. Coaches and advisors will set dress and grooming standards for their teams/groups which will follow or exceed the student handbook guidelines. Any participant who does not dress appropriately may not be permitted to board the bus/van until appropriately dressed.

Coaches/advisors may set more lacks dress guidelines following an out-of-town activity so as to make the ride home more comfortable (i.e. team sweats).

HAZING

Hazing means any act committed by a person, whether individually or in concert with others, against a student in connection with pledging, being initiated into, affiliating with, holding office in or maintaining membership in any organization that is affiliated with Oak Grove Lutheran School, and; that is intended, or should reasonably be expected, to have the effect of humiliating, intimidating or demeaning the student, or endangering the mental or physical health of a student.

Hazing also includes soliciting, directing, aiding or otherwise participating actively or passively in such acts.

Hazing occurs regardless of the consent or willingness of a person to participate in the activity. Hazing may occur on or off campus.

Students observing any hazing activities have an obligation to report it to a school staff member or administration.

Because it is not always clear to individuals whether activities are unacceptable and/or constitute hazing, student leaders and members of student groups are strongly encouraged to consult with groups; advisors, coaches or other school officials responsible for the program or activity in advance of the planned event.

North Dakota Hazing Law 12.1-17-10.hazing – Penalty

A person is guilty of an offense when, in the course of another person's initiation into, or affiliation with any organization, the person willfully engages in conduct that creates a substantial risk of physical injury to that other person or a third person. The offense is a Class A misdemeanor if the actor's conduct causes physical injury. Otherwise, the offense is a Class B misdemeanor.

The locker room should be clean and free of debris/garbage at all times during each season. The Administration reserves the right to instruct custodial staff to remove any articles of clothing or belongings that are left on the floor of the locker room, and said items may be donated to a charitable organization. Usually this is done with notice to the participants, but in extreme cases of disarray items may be removed without warning. Likely periods of cleaning include periods between seasons, Christmas break, summer break, etc.

Participants are encouraged to lock their lockers at all times to deter theft of property.

MOVING-UP AN EXCEPTIONAL PARTICIPANT

Coaches/advisors reserve the right to move any student in grades 7-11 to a higher competition/performance level as they deem necessary. This move is not always based on lack of numbers, as it can be to utilize a participant who demonstrates the ability and skills to perform at the next/higher level. Middle school participants may be utilized at the 'C', JV, and/or Varsity levels. These participants may play/perform in place of upper classmen as the coach/advisor deems necessary. The following criteria will be followed when a 'moving-up' situation is encountered:

- The level of skill of the participant is clearly above those of his/her peers, which if not moved-up, would limit his/her development.
- The participant must be emotionally stable and mature enough to handle the move as deemed by coach/advisor, parents, and administration.
- The student must be in good academic standing as deemed by administration so as to handle the travel and time commitment without such a move affecting his/her academics.

NCAA ELIGIBILITY CENTER

If a student is planning to enroll in college as a freshman and wishes to participate in either Division I or II athletics/activities, he/she must be certified by the NCAA Eligibility Center. The Center was established as a separate organization by the NCAA members in 1993. Their purpose is to provide consistent interpretations of the NCAA eligibility requirements for all prospective student athletes.

The student is responsible for performing specific actions by the end of his/her junior year so as to be eligible for competition, and these actions can be found on the NCAA website at:

<https://web1.ncaa.org/eligibilitycenter>

PRACTICE and FITNESS ATTIRE

Students/participants will adhere to the following attire guidelines:

- T-shirts and practice jerseys that are worn at practices or in the fitness center must be of original sale condition.

- Athletes/participants may not wear a shirt or practice jersey that has been altered in any way. T-shirts or practice jerseys may not be cut/torn down the sides of the garment, or had the sleeves removed. Sleeveless t-shirts are permitted that have been purchased as such.
- Shirts that display the participant's undergarment (other than the basic straps) or upper body may never be worn in practice or the fitness center.
- Participants will wear a t-shirt or practice jersey at all times during practices and in the fitness center, unless instructed by the coach/advisor to do otherwise to aid in the performance of a drill. Upon completion of the drill, the participants t-shirt or practice jersey shall be worn.

Attire Exceptions:

- outdoor activity, such as Track or Football, on days when the temperature is at a level where removing a shirt adds comfort for the participant. Upon returning to the campus buildings, the participant will wear appropriate clothing.
- summer activities such as camps and open gyms, where not all participants have practice jerseys, shirts may be removed for various games/activities.

Proper attire applies to the gymnasiums and weight room/fitness center, all year-round.

PRACTICE TIMES

Practice times during our athletic/activity seasons will vary. Most athletic practice times are from 4:00p.m.-6:00p.m., or from 6:00p.m.-8:00p.m. Drama/Musical practices may be longer in duration due to the amount of participants and the nature of the activity, but all participants must be out of the buildings/grounds by 9:00p.m.

All activities must be out of the buildings/grounds by 6:00p.m. on Wednesday evenings. Practices on Sundays may be necessary to prepare for a Monday competition. Sunday practices may not start until after 12:00p.m. On school days when an activity competition is cancelled due to weather, and practice is held, all activity practices shall be treated as a Wednesday practice, and must be completed and participants out of the buildings by 6:00p.m.

Outside rentals relating to youth activities involving any Oak Grove students, such as JO Volleyball, and traveling-team sports, will not be allowed into Oak Grove facilities after 6:00 p.m. on Wednesday nights. Adult activities can be scheduled on Wednesday nights.

SCHOOL ATTENDANCE AND PARTICIPATION

Participants must be in school his/her ENTIRE school day to be eligible to participate in any practice or competition that day/night.

School sponsored activities and appointments during the school day do not count toward the attendance policy. If a student is absent for an appointment, he/she should bring a slip from the appointment office upon return to school that day so as to be excused and participate.

Students who are serving a suspension from school due to any school policy violation will not be eligible to participate in any practice or competition during that suspension period (i.e. Johnny gets into a fight at school, and is suspended for a day. Johnny cannot practice/play that day/night).

SPORTSMANSHIP AND CITIZENSHIP

The following are general guidelines for Oak Grove participants, coaches, and parents to follow in order to make Oak Grove an atmosphere for healthy competition and success:

- Be a gracious host and show respect for our opponents.
- Respect the decisions made by contest officials.
- Be a positive role model when you create signs and cheer.

- There is a difference between a FAN and a FANATIC and between CHEERING and JEERING.
- Realize that admission to a contest is a privilege, not a license to act irresponsibly.
- Win or lose...it is about the participants...not you as a fan/parent.

As coaches, participants, fans, and parents representing Oak Grove, our intent must be to model our behavior to match the Christian values that we work hard to instill each day within our campus. WE DO NOT question officials. WE DO NOT act in a manner which brings embarrassment to our students, players, families, and of course the Oak Grove traditions.

STATE TOURNAMENT PARTICIPATION EXPECTATIONS

In the event that an Oak Grove Lutheran School activity qualifies for the State Tournament, the following guidelines shall be implemented:

- Participants are expected to conduct themselves with the utmost reverence when representing Oak Grove Lutheran School
- Appropriate clothing shall be worn by participants as directed by the coaches/advisors.
- Any misbehavior or conduct detrimental to the team/group or the image of Oak Grove may result with the involved participant(s) being sent home from the State Tournament. Parents will be notified and expected to take custody of the participant and transport them home. In the event that parents cannot take custody of the participant, said participant will remain with the team, but all participation privileges shall cease.

STUDENT ELIGIBILITY FOR NDHSAA COMPETITION

The list below is a summary of the policies that the NDHSAA has established to govern student eligibility. These can also be found in more detail on the NDHSAA website.

- Students must be making satisfactory progress toward the school's requirements for graduation. The school where the student is fully enrolled and regularly attends shall determine satisfactory progress.

TRANSPORTATION

Students participating in activities must ride school-sponsored transportation to and from each event. Parents who wish to transport their student home, may sign the student out with the coach(es) after the completion of the event. No student is allowed to leave an event with another student's parent(s), or with any other individual without prior approval (at least one day prior) of the administration. Transportation may not be

provided for various in-town activities/contests in which case the students are traveling at their own risk and with parent knowledge and consent.

School-sponsored transportation may become stalled or break-down while transporting students to or during the return from an activity. Parents should always keep abreast of current weather information to judge the need for special clothing during transportation times throughout the year. Beginning November 1, students riding school-sponsored transportation during winter weather seasons must bring the following materials in order to board the bus/van:

- Winter coat
- Gloves/mittens and cap/stocking hat
