

***Welcome parents of a future
Oak Grove Elementary Kindergartner!***

If you are the parent of a future OG Kindergartner,
you are a member of **OGPO** (Oak Grove Parent Organization).

Now it is your decision to become an ACTIVE member!

What is the commitment?

You can become an active member and join us for our monthly meeting where we plan for upcoming events. It is NOT a requirement to attend all meetings. There is **no cost** to be a member!

OR

You can simply be a volunteer when needed. This would include helping prior to or during events, or providing food or drinks when we are holding an event to honor our teachers.

Want to join? Want to be a volunteer? Have more questions?

Fill out the form enclosed, return it to the school and we will add you to the email database (limited emails per month) or email Kara Burt at kburt2773@gmail.com with the same information.

What are we about?

OGPO has 3 Main Objectives:

1. Raising funds for projects the school is in need of, by holding charitable events. Our school Carnival is our #1 fundraiser. Each year we have a specific project goal. For instance, in the past we have been able to purchase iPads for the classrooms, a salad bar cooler and ice maker for the kitchen, basketball hoops for the playground and technology and resources for the library, just to name a few.
2. Holding events that enhance and encourage networking with parents and students, like hosting a movie at a local theater, or an afternoon of sledding or bowling.
3. Providing support to our teachers by recognizing their dedication to educating our children. Examples of this would be meals during parent-teacher conferences and gifts during Teacher Appreciation Week.

We hope to see you at some of our meetings and events!
