

Sylvan STEM at Oak Grove

- Fall 2017 -

STEM Club – 1st – 3rd Graders

Is your student interested in STEM concepts but not sure where to start? We've got the club for you! STEM Club is a great way to nurture your child's curiosity and creativity while introducing them to science, engineering and math concepts using KNEX, LEGOs, and other hands-on technology!

Dates	Time	Location	Cost
Tuesdays Starting: 9/4/17 Ending: 12/12/17	3:15 – 4:45	Mr. Card's Room	\$99 per month OR \$279 per semester

STEM Club – 3rd – 5th Graders

Does your student love to build, create, and explore? In this more advanced STEM Club, students will challenge themselves to make bigger and better projects than they ever thought possible! As we dive deeper into several different aspects of our STEM programs, we will use their creative problem-solving talents along with KNEX, LEGOs, and other technology to explore and create new things!

Dates	Time	Location	Cost
Wednesdays Starting: 9/5/17 Ending: 12/13/17	3:15 – 4:45	Mr. Card's Room	\$99 per month OR \$279 per semester

Math Edge – 1st – 5th Graders

Your student will keep their math skills sharp and boost confidence by working on grade-appropriate content. This class is a blend of math games and independent work designed to make math more fun!

Dates	Time	Location	Cost
Thursdays Starting: 9/6/17 Ending: 12/14/17	3:15 – 4:45	Mr. Card's Room	\$99 per month OR \$279 per semester

*If school is cancelled or closed, there will be no Sylvan classes and no make-up sessions.
