Haiti Benefit Concert

A note from Mrs. Boyd:

I hope most of you have heard of our upcoming Haiti Concert! All choirs and the concert band will be performing on March 15th. We are really excited to have an opportunity to help out another country in need through performing arts. All the middle school choirs are going to sing the Peace Canon and ALL the Oak Grove choirs will sing in the very powerful Festive Overture Hymn. The Madrigals will be singing "Earth Songs" by Frank Ticheli, another very powerful piece of music. The concert band will be performing a piece entitled 'Port-au-Prince', Amazing Grace and a piece written for our band to depict before and after the earthquake, this will be a donation to the school! We are also going to have two speakers from Haiti talk about their culture, the state of the country before and after the earthquake and what we can do to help. I am so proud of the students who are willing to put in the time and effort to make this a possibility. They are making a difference in the world through their gifts and talents.

The concert is going to be March 15th at 7:30. There will be a Free Will donation to help relief funds in Haiti.

We are asking for help in promoting this learning opportunity for high school girls. The camp was developed to provide girls with a better understanding of what a career in technology is all about. This exciting three day experience provides opportunities to learn about careers in technology, talk with Microsoft employees about their life experiences, and enjoy hands-on computer and technology workshops.

What Participants Can Expect

- Hands-on learning sessions to educate
- Keynote Speaker series to inspire
- Career/technology tours to heighten awareness
- Resume and interview workshops to prepare
- Employee panels to answer questions

Testimonials

Here is what some DigiGirlz had to say about their experiences at the camp:

- "[The event was] very empowering and I know that I can accomplish anything!"
- ". . . and I obtained so much knowledge and amazed myself at what I learned and what I could do on the computer"
- "Even in the short time I was at Microsoft I learned so much about technology, but more about how people can achieve professions that they love and enjoy. Everyone's enthusiasm about their professions inspired me to find what I love and pursue it ~ not only in technology, but in life."

Spiritual Emphasis Week/ Lutheran Schools Week

As a part of this year's Spiritual Emphasis Week/Lutheran Schools Week at Oak Grove Lutheran School, we will be joined by the Christian band, *Sixteen Cities* from Portland, Oregon. *Sixteen Cities* is a five-piece, Christian Rock/Alternative band that originally led worship in their high school on Wednesday mornings. Their name is taken from Joshua 19 where the tribe of Issachar receives their inheritance, which includes "sixteen cities". 1 Chronicles 12:32 refers to the tribe of Issachar as "men who understood the times and knew what Israel should do".

In addition to having *Sixteen Cities* with our students during several daily chapel services the week of March 8-12, **Oak Grove will be hosting a FREE concert on Wednesday, March 10 at 7:30 p.m.** We would be honored if you would consider making this a part of your evening activities. The concert will be held in the Scheels Center for the Performing Arts on our north campus, 124 North Terrace in Fargo. Campus Ministry activities scheduled for Wednesday evenings are designed to be secondary to events held in the home congregations of Grovers. Invitations have been sent to churches as well.

Parents are also welcome to hear *Sixteen Cities* by joining us at any of the following daily chapel services during the week!

Tuesday, March 9	10:00-11:00 a.m. (Scheels Center)
Tuesday, March 9	1:45 - 2:40 p.m. (Elementary Gym)
Wednesday, March 10	10:00-11:00 a.m. (Scheels Center)
Thursday, March 11	10:00-11:00 a.m. (Scheels Center)
