**LUTHERAN SCHOOL**

**2006 Annual Report**

# So much to be thankful for!

By Rev. John Andreasen, president of development

Ten years ago the flood of '97 created devastating chaos on the Oak Grove campus. The rebuilding efforts were demanding, if not overwhelming. One Saturday night, exhausted, I came over to repaint my office. I took a carpet sample and visited the Coast to Coast store to buy a gallon of paint. The manager for the evening helped me find a match and mixed the paint. I was wearing my old Oak Grove jacket and he asked if I worked there. When I said "yes" he said "I thought so. The paint is on us tonight." I left with such a feeling of support, as if the whole community was helping us recover. Later, I brought him one of our t-shirts with an artistic ark designed by David Hetland. The caption read, "Thanks for keeping our boat afloat." As I presented the shirt, I lost my composure. Tears welled and a lump stuck in my throat... **We had so much to be thankful for!**

Ten years later we look at the Oak Grove campus. The momentum of the Centennial Celebration in 2006 moved from one highlight to another. Phase I of the Centennial Campaign, recognizing the need to renovate Jackson Hall and create a connecting link to the Gorder Gymnasium, became a reality. Phase II, the stunning Scheels Center for the Performing

Arts, stands poised for the ribbon cutting. Over \$1.5 million has already been committed to the growing endowment, primarily for student aid. The new elementary school came as an extra layer of blessing on top of an already full platter. Major advances in technology and wellness programming lie on the drawing board.

**We have so much to be thankful for!**

The passionate outpouring of support for Oak Grove has made it possible to be where we are today. The Oak Grove Centennial Campaign set \$10 million as its goal. Since January 1, 2005 gifts and pledges total \$9.3 million. Looking back on the past two years, I see story after story of heartfelt commitment coming to expression in financial gifts empowering the mission of Oak Grove. As one faithful donor said when he doubled his pledge, "God has blessed us with more than we need. We want to return it with thanks."

In this Annual Report/Thank You Highlights, we acknowledge the donors who have made it possible for Oak Grove to step boldly into its second century. Facilities are upgraded, the endowment fortified, an elementary school is launched, and a growing family of friends stands committed to living in God's grace. **Indeed, we have so much to be thankful for!**

## Growth in the Tennesfos garden

By Rev. John Andreasen, president of development

Little did Bob Krueger realize the impact of his speech at Hope Lutheran Church in 1968, the first year of his presidency at Oak Grove. Inspirational seeds fell into the good soil of the Tennesfos family garden. Over the years they produced a bountiful harvest to be carried on for many generations. Four Tennesfos children found their way into Grover classrooms and now, one generation later, grandchildren occupy the same seats.

As parents, Jens and Jeanne played a leadership role on the Board of Regents, in the Grover Club and the annual Bazaar. They volunteered their energy, wisdom and resources to encourage the faculty and administration in holding standards high. With their grandchildren now on campus, they have found new ways to continue their passionate involvement and generous financial commitment, soon to reach the million dollar milestone.

After serving as a charter member of the Oak Grove Foundation Board, Jens, together with his wife Jeanne, established the Tennesfos Presidential Family Scholarship Fund which

has grown to nearly \$300,000. This endowment fund provides approximately \$15,000 annually for students who maintain a grade point average of at least 3.0, and are in need of financial aid.

In addition to their heartfelt passion for opening doors to students with financial need, they have established a "Student Citizenship Award." With Jens and Jeanne having both worked in the North Dakota legislature, the scholarship recognizes an Oak Grove student who demonstrates exemplary citizenship, offering an annual award totaling 10% of tuition.

As they enjoy their senior years, they realize the spirit of charity doesn't retire. A former legislator keeps a keen eye out for meaningful legislation that blesses God's people. For several years Jens has been watching for the opening that would permit retirement funds to be directed to charitable ministries without being taxed. It happened following Hurricane Katrina. Legislation has now been put in place through 2008, with a hope for future extensions.

Currently, senior citizens with IRA

funds must withdraw a minimum of 5% annually at age 70 ½ and pay tax on the distribution. New legislation permits the withdrawal of up to \$100,000 each year to go to a non-profit institution. For senior donors with accumulated retirement funds, this legislation permits the tax-free transfer of funds to institutions like Oak Grove.

For the past three years the Tennesfos family has tapped into retirement funds for contributions to Oak Grove's Centennial Campaign and they look ahead to leaving a future legacy for Oak Grove. Their commitment to passing on Christian values has encouraged others to consider sizable gifts and future legacies for capital projects and endowments at Oak Grove.

If President Bob Krueger could have realized the impact of his springtime seeding speech in the Tennesfos garden, he too, would have been amazed at what God can do when we place ourselves and our possessions into loving service.

For further information on planned gifts, capital gifts and endowments, contact Oak Grove's Development Office at 701.237.0212.

# A simple way to give

Oak Grove is excited to announce there is now an easy way to give – *electronically!* Donors can log on to Oak Grove's website, [oakgrovelutheran.com/development](http://oakgrovelutheran.com/development), and e-give.

E-giving enables you to donate to Oak Grove through an automatic one-time, weekly or monthly withdrawal from your checking account or a one-time, weekly or monthly charge to your credit card. The e-giving secure site is hosted by Vanco Services through Thrivent Financial for Lutherans' SimplyGiving Program.

The e-giving site takes a donor through the step-by-step process of making an electronic gift to Oak Grove. The site can also be used

for a payment or giving option for events, such as the annual Fall Golf Classic, Annual Dinner or Spring Gala & Auction.

If you have any questions on the e-giving process, please contact Andrea Williams, development associate, at 701.373.7104 or [andrea.williams.1@sendit.nodak.edu](mailto:andrea.williams.1@sendit.nodak.edu).

Oak Grove sincerely appreciates your support of Christian education. Your donations help sustain the mission of Oak Grove – *to express God's love by nurturing students for academic achievement, lifelong Christian commitment and loving service throughout the world.*

**Thank you...**  
Your donations give the gift of Christian education to more than 400 students.

# Centennial Campaign

---

## About the Campaign

Oak Grove's Centennial Campaign "Nurturing the Journey" began in 2005. The campaign's goal is to raise \$10 million, with funds raised dedicated to enhancing and expanding facilities, supporting the annual operating budget, and increasing endowment funding for additional student aid. Since 2005, more than \$9.3 million dollars have been donated or pledged to the projects and funds in the campaign.

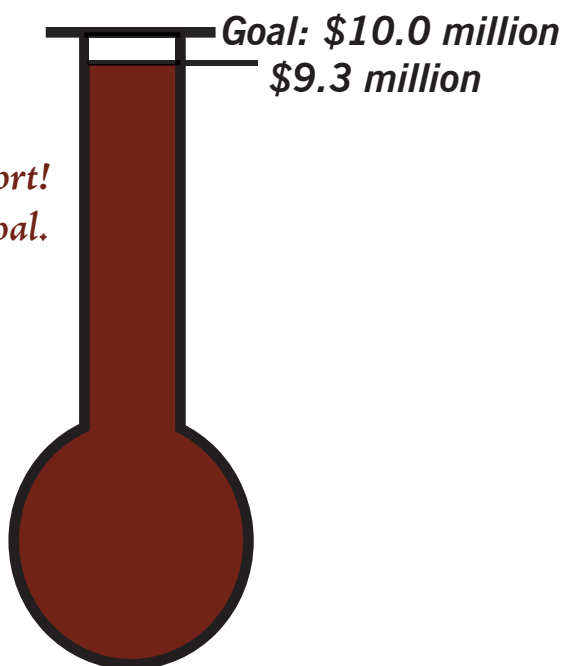

Three major building projects on Oak Grove's north campus were named to be supported by the campaign – Jackson Hall renovations, a new performing arts facility, and additions to the Darwin Gorder Gymnasium. Other projects have also been encapsulated into the campaign. The three phases of building projects and other campaign projects are listed on page 11.

The Oak Grove Centennial Campaign is lead by co-chairs Mr. Jon Rustvang and Mr. Steve Zimmerman, Oak Grove Foundation Board members, parents and dedicated supporters.

Oak Grove would like to send a heartfelt thank you to all those who have given to the campaign thus far. Your contributions have added momentum that will launch Oak Grove well into the second century.

If you would like to find out more about the campaign or how you could partner with Oak Grove to help us reach our goal, please contact the Development Office at 701.237.0212.

## Campaign Progress

*Thank you for your support!  
We are nearing our \$10 million goal.*

# Centennial Projects

## Campus Corner

**COMPLETED 2004**

The campus corner created a new entry onto Oak Grove's north campus, at the corner of South Terrace and Short Street. The sign was erected in memory of James Hannestad '51 and was a project of the Grover Club.

## PHASE I - Jackson Hall & Concourse

**COMPLETED 2005**

Jackson Hall was renovated during the summer of 2005. The building received new windows, heat and ventilations systems, electrical service, and plumbing. An elevator and a sprinkler system were installed. Classrooms were added to the second floor and offices on the third floor. A concourse was added to join Jackson to the gymnasium.

## Elementary School

**ESTABLISHED 2005**

Oak Grove opened an elementary school in south Fargo in the fall of 2005. The school serves students in pre-kindergarten through grade 5. The student population nearly doubled in its second year of operation, now educating 118 students.

## PHASE II - Scheels Center for the Performing Arts

**TO BE COMPLETED IN MAY 2007**

The Scheels Center for the Performing Arts will be ready for the public by May 20. The center provides a new performance space, rehearsal area, small chapel space and offices. Fossum Hall was demolished in May 2006 to make way for the Scheels Center.

## Centennial Walk

**FIRST GROUP INSTALLMENT IN MAY 2007**

The Centennial Walk will be installed on campus this spring. The new walkway will consist of engraved pavers, which can be purchased for \$100 each and engraved with up to two lines of text. All alumni, friends and donors of Oak Grove are invited to leave a legacy at Oak Grove and purchase a paver. Call 701.237.0212 for more information.

## PHASE III - Wellness Center & Lobby Renovation

**COMING SOON**

Phase III of the building projects calls for the lobby of the Darwin Gorder Gymnasium to be renovated and a wellness center added. The gymnasium will receive new bathrooms, additional locker room space and a new lobby area and entrance.

# Endowment Market Value

Oak Grove's Foundation, founded in 1992, has grown significantly over the years. The ten-year growth chart below shows year-end market values. The Foundation, which includes endowment portfolios as well as gift annuities, now totals more than \$6.0 million. The endowment provides annual support of approximately \$200,000, most of which is directed to student aid. To find out more about the Foundation or establishing an endowment, contact Oak Grove at 701.237.0212.

# Matching Gifts

Oak Grove has been blessed by Thrivent Financial for Lutherans' GivingPlus program, which matches gifts to Lutheran organizations. All those with Thrivent Financial for Lutherans products are eligible to have their gifts to Oak Grove Lutheran School matched by Thrivent.

In 2006, Thrivent members were able to have

**\$70,609.50**

donated to Oak Grove through the GivingPlus program.

If you have any questions about the program, please contact Jan Hersrud in the Development Office at 701.237.0212. Paperwork has to be completed for each gift for the program.

Your employer may also have a matching gift program. Be sure to check at work!

**Thank you...**

*Your gifts allow students to participate in numerous co-curricular activities.*

# Community Partners

Oak Grove would like to extend a thank you to the business that support the school each year. Their continued support of Christian education is greatly appreciated. Contact the Development Office at 701.237.0212 for more information on how YOU can become an Oak Grove Community Partner.
