

APPENDIX C: TABLET COMPUTER PROTECTION

Oak Grove Lutheran School recognizes that with the implementation of the tablet computer initiative there is a need to protect the investment by both the school and the Student/Parent. Much like school issued textbooks or library books, the individual using the school-owned item is responsible for that item. The following outlines the various areas of protection: warranty, accidental damage protection and insurance.

GATEWAY WARRANTY: This coverage is purchased by the Oak Grove Lutheran School as part of the purchase price of the equipment. Gateway warrants the tablet computer from defects in materials and workmanship. This limited warranty covers normal use, mechanical breakdown or faulty construction and will provide replacement parts necessary to repair the tablet computer or tablet computer replacement. The Gateway warranty does not warrant against damage caused by misuse, abuse, accidents or computer viruses.

ACCIDENTAL DAMAGE PROTECTION: Oak Grove Lutheran School has purchased through Gateway coverage to protect the tablet computers against accidental damage such as: liquid spills, accidental drops, power surges, and natural disasters. This coverage does not provide for damage caused by fire, theft, loss, misuse, intentional or frequent damage or cosmetic damage. Gateway will assess the tablet computer damage and repair or replace the machine at no cost if the damage is determined to be accidental, infrequent, and within the protection guidelines.

INSURANCE FOR THEFT, LOSS, FIRE, OR INTENTIONAL DAMAGE: Tablet computers that are stolen, lost, damaged by fire, or intentionally damaged are not covered by the Gateway Warranty or the Accidental Damage Protection outlined above. Following are the two options that are available for these types of losses, and the Student/Parent must commit to one by checking the appropriate box.

- Personal Insurance: You will cover the tablet computer under your own insurance policy and in the case of a theft, loss or damage by fire, you agree to pay the school the amount received from your insurance company plus any additional amount needed to cover the tablet computer replacement not to exceed \$1,350.00.
- Oak Grove Protection Plan: You choose to pay the school an annual protection payment for coverage of theft, loss or damage by fire in the amount of \$50.00. The \$50.00 payment is non-refundable. This protection coverage has a \$500.00 additional charge per occurrence (deductible). This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year.

ADDITIONAL INFORMATION: In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the student or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the principal's office. The \$500.00 additional charge is the responsibility of the student/parent and must be paid before the tablet computer can be repaired or replaced.

INTENTIONAL DAMAGE: Students/Parents are responsible for full payment of intentional damages to tablet computers. Warranty, Accidental Damage Protection, or Oak Grove Tablet Computer Protection **DOES NOT** cover intentional damage of the tablet computers.
