In our Student Referral program, an Oak Grove family will have a **\$750** reduction applied to their designated tuition for each new family that joins our school in relation to their referral efforts. **This program is offered for referrals of new families with students entering K-12th grades.** The tuition reduction will be applied to the tuition bill the semester after the new student(s) has attended. It will be applied to the next year's tuition bill if the tuition is paid annually.

The enlisting family must complete a Student Referral Card (found on reverse) and submit it to the Admissions Office. This provides verification that the contact has been made with a prospective family about Oak Grove Lutheran School and the family would welcome a call from the Admissions Office and/or intends to attend Oak Grove. Additional cards are available from the Admissions or Business Offices or in the school offices.
