

Don't Stop Believing by Journey (Oak Grove remix)

Just a Christian School
Existin' in a lonely world
We have some students from nearly everywhere

Just a little note
Cause we need your support
For the students that are here today

You can, give now
Up and down the river bed
It's Oak Grove
Find a place in your heart__

God's Light, shining
Through the school and down the hallways
Trying our best to serve!__

Don't stop believin'
Let's keep on givin'__
Oak Grove people__

Don't stop believin'
Let's keep on givin'__
Oak Grove people__

Don't stop believin'
Let's keep on givin'__
Oak Grove people__
