

The mission of the **Oak Grove Parent Organization for North Campus (OGPO-N)** is to create a beautiful, welcoming, and supportive environment for all members of the North Campus community. Through the shared values of service and leadership, OGPO-N provides opportunities for parents and volunteers to actively contribute to the Grover community. These initiatives are made possible through generous parent and family donations and volunteer time.

During the 2024–2025 school year, OGPO-N helped strengthen our campus by showing heartfelt appreciation to teachers and staff, enhancing the school grounds for special events, and enriching the student experience with meaningful and memorable moments.
