

The Oak Grove Parent Organization (OGPO) is excited to continue building on last year's successes and bring even more meaningful experiences to our students, teachers, and families this year.

We are asking for your support. We're raising funds now to support our students and staff this school year — your gift to OGPO-N, big or small, makes it possible.

Your generosity directly impacts our ability to create these experiences and traditions for the Oak Grove community. Here's a look at what we're planning:

- **Conference Meals (Fall & Spring)**
- **Christmas Decor Refresh and December Decorating**
- **Senior Yard Signs**
- **Middle School Events**
- **Teacher Appreciation Week**
